

## FOR IMMEDIATE RELEASE

### **United States Global University to Host Regional CTE Symposium Focused on Workforce Readiness and Reentry Success.**

**San Diego, CA – August 01, 2025** — United States Global University (USGU), in partnership with the San Diego Reentry Roundtable, the East County Economic Development Council (ECEDC), and the County of San Diego, is proud to host the upcoming **Career and Technical Education (CTE) Symposium on Wednesday, August 27, 2025, from 11:00 AM to 1:30 PM at 5500 Overland Avenue, San Diego, CA.**

This dynamic event will bring together CTE educators, workforce and reentry professionals, post-secondary institutions, employers, and community leaders to advance cross-sector collaboration and align educational pathways with real-world labor market needs.

#### **Key Symposium Highlights Include:**

- Industry-driven discussions to connect training with workforce needs
- Interactive brainstorming sessions with industry leaders in CTE and workforce development
- Practical strategies to enhance job readiness skills for students and job seekers
- Best practices for supporting reentry and career pathway alignment
- Regional collaboration to bridge skills gaps and improve economic mobility

“USGU is committed to building stronger career pathways and supporting reentry and workforce reintegration efforts,” said **Dr. Chitpasong Vazquez**, President of United States Global University. “We’re honored to co-host this important event that empowers educators, employers, and community partners to shape a more inclusive and skilled workforce.”

#### **Who Should Attend:**

- Employers seeking skilled talent
- Career and Technical Education (CTE) educators and administrators
- Workforce and reentry professionals
- Postsecondary institutions and training providers
- Veteran employment advocates
- Community partners invested in workforce development

**Don’t miss this opportunity to collaborate, connect, and drive real change across the region.**
